

Hurst Green Primary School Newsletter

03.05.24

Dear all,

As the Summer term continues please remember school will be closed on Monday 6th May for early May bank holiday!

Help wanted! Is there anybody that would be able to re-felt one of our shed roofs. We would supply the materials needed. Please get in touch!

Last week was World Earth Day. Every year on 22 April, Earth Day is celebrated around the world in over 192 countries. But this annual event is much more than a celebration - it's an important day to raise awareness about looking after the environment. The children learned all about it in last week's assembly.

Year 1 had a fantastic day out at the Black Country Living Museum, last Tuesday. They had a jam-packed day, looking around the transport museum, browsing the 1940's-1960's high street shops, and learning about different toys from the past. They even took part in a 1912 school lesson and watched a silent film in the 1920's cinema! They represented Hurst Green excellently, well done Year 1.

This week Reception were visited by some very nice police officers who took time out of their busy day to come and talk to them about their jobs and even let them look inside their police van! The children really enjoyed the visit and found it very exciting.

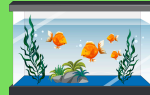

This month is National Smile Month. National Smile Month is a national campaign to support children and young people to adopt positive oral hygiene habits and reduce their tooth decay. So the school nursing team came in to teach Reception all about brushing their teeth and also the importance of washing your hands.

Year 6 went over to forest school this week as part of their Science work on living things and their habitats. It was a little bit muddy but it was a great way of doing some practical learning to help with their understanding.

Finally, we have some new editions to the Hurst Green fish tank. We know the children love feeding the fish and watching them swim around so thought we would add some more to the tank.

We hope you all have a lovely bank holiday weekend!

We understand that you may have messages to convey to teachers in the mornings. To ensure minimal disruption and enable teachers to focus on the children in the classroom, we kindly request that messages and queries be directed to info@hurst-green.dudley.sch.uk or through a phone call whenever possible. This will help us start the day promptly and maintain a conducive learning environment for all students. Thank you for your cooperation.

Some of our amazing EYFS members of staff are swimming 100k in May to raise money for Cancer research. If you would like to donate to their fundraiser please use the link below.
